### A SALE WITH A REASON!

The one and only purpose of this store-wide sale is for the new partners to reduce over-stock.

Frankly, when we took over a month ago, we faced a heavily over-stocked condition . . . And in spite of the fact that we are doing a very satisfactory business . . . We have nearly twice too much stock and must sell. This store is literally over-stocked to overflowing with the finest merchandise of its kind found in Southern California.

We decided there was nothing left for us to do but to resort to a very drastic price reduction in order to create an immediate demand for this fine merchandise.

Therefore, this large stock will be sacrificed at prices so low that no thrifty person can afford to pass this greatest of all furniture sale events unheeded. This stock must be sold, let the loss be what it may.
